

Cookie Notice

Dono Cookie Notice

****Version:** 3.0**

****Version date:** 7 August 2026**

****Effective from:** on publication approval (see approval block)**

****Document type:** Notice ? information, not contract**

****Supersedes:** v2.3 (6 August 2026) and all earlier versions, retained unaltered in the versio**

****Precedence:** This Notice governs cookies and similar technologies (Terms of Service clause 1**

> ****This is a Notice, not a contract.** It provides information; it is not something you have t**

1. What this Notice covers

1.1 Cookies are small files placed on your device. Similar technologies ? local storage, sessio

1.2 That distinction matters for Dono, because ****Dono sets almost no classic cookies of its own**

2. The law we work to

2.1 Under the Privacy and Electronic Communications Regulations 2003 we may store information o

2.2 ****Why analytics needs your consent.** The rules above apply to *storing or reading anything**

2.3 ****A point in your favour.** Dono does ****not**** link analytics events to your account: we nev**

3. Categories we use

3.1 ****Strictly necessary ? no consent required.****

- your authentication session;
- your record of whether you accepted or rejected analytics, with the timestamp and the version
- interface state such as whether you have completed the welcome tour, and a temporary key that
- storage set by the Payment Provider during checkout and identity verification.

3.2 ****Analytics ? consent required.** We use ****PostHog (EU)**** to understand how the Platform is**

- pages and screens viewed;
- campaign events ? viewed, liked, followed, shared;
- the donation funnel ? started, amount selected, completed;
- society follows and subscription events;
- sign-in and sign-up events;
- the campaign-creation funnel;
- ****limited interaction capture**** ? taps and clicks, recorded only against a component's test i
- ****device and browser information**** ? browser, operating system, device type, screen size;
- ****approximate location**** ? your IP address is anonymised as it arrives, and an approximate co
- aggregate interaction and page-performance measurements, including heatmaps and web-vitals da

We do ****not**** use session replay. Authentication fields are excluded from capture, so email add

3.3 ****Advertising and cross-site tracking.** Dono uses ****none****. There are no advertising pixel**

3.4 ****A/B testing.** Dono does not run A/B tests.**

3.5 ****How long analytics data is kept.** Analytics events are retained for ****12 months**** and th**

4. What we actually store on your device

> ****How this table was produced.** It is compiled from a ****source-level audit**** of every storag**
