

Verification Notice

Dono Verification Notice

****Version:** 3.0**

****Version date:** 7 August 2026**

****Effective from:** on publication approval (see approval block)**

****Document type:** Notice ? information, not contract**

****Supersedes:** v2.3 (6 August 2026) and all earlier versions, retained unaltered in the versio**

> ****This is a Notice, not a contract.**** It explains what Dono checks and what it does not. It c

> ****The short version.**** Two different things are checked before anyone can raise money on Dono

>

> - ****Dono checks student status**** ? that you control an email address at a recognised UK unive

> - ****The Payment Provider checks identity**** ? using a government identity document and a face

>

> Dono does not contact your university. Dono does not check whether anything in a Campaign is

1. Purpose

1.1 The word "verified" means different things to different people, so this Notice explains exa

2. One review before publication

2.1 ****Every Campaign is reviewed by a person against Dono's publication requirements before it**

2.2 The review consists of:

(a) ****the student-status check**** in clause 3 and the ****identity check**** in clause 4 ? both must

(b) ****campaign completeness**** ? that the required fields (clause 7.1 of the Terms of Service, i

(c) ****a category and purpose check**** ? including that a Society Campaign's primary purpose adva

(d) ****a content review**** against the Community Guidelines, including full review of any campaig

(e) ****for Society Campaigns****, the Responsible Representative's authority declaration (clause 2

2.3 Publication means only that these requirements were met. ****It does not confirm the accuracy**

3. The student-status check ? university email

3.1 ****What Dono checks itself.**** To create a Campaign, an applicant must verify that they contr

3.2 ****What Dono does not collect.**** ****Dono does not ask for, collect, process or store a studen**

3.3 ****Dono does not carry out "institution verification".**** Dono does not contact a university

3.4 ****What a completed check does not mean.**** It does ****not**** mean Dono has verified or guarant

3.5 ****Timing and refusal.**** Dono aims to complete any manual element within seven Working Days

3.6 ****Limitations, stated plainly.**** A university email address shows that the Institution issu

3.7 ****Donor accounts are different.**** You do ****not**** need a university email address to hold a

4. The identity check ? carried out by the Payment Provider

4.1 ****What happens.**** Before a Campaign or Society can be created and published, the person cre

4.2 ****Who holds what.**** The document and the face scan are ****submitted directly to the Payment**

- whether the check passed or failed;

- the ****verified name**** returned by the check; and

- the ****verified date of birth**** returned by the check.

Those three items are recorded against the Campaign or Society and are visible only to Dono adm

4.3 ****A Campaign cannot be created, published or receive Donations while the identity check is**
